Local Author Launches New Book

Seven Turns – A Ghost Story Now Available on Amazon

Local author Kim Beall has released a new novel titled *Seven Turns*, available through Amazon.com in both paperback and Kindle editions. The story is set in a small, southern town and may be loosely construed as a ghost story (though not a horror story,) a cozy mystery, a romance, and even a contemporary fantasy.

One reviewer describes *Seven Turns* as "A captivating look into the world of the Fae mixed with a 'spirited' who-done-it with characters you will fall in love with..."

Kim Beall believes adults never really outgrow the yearning to be enchanted by fiction, and that we all hope, within our lifetimes, to find real magic in the world.

Contact the publisher, Solstice Publishing, at SolsticePublishing.com, or follow the author on her blog at KimBeall.com/blog or on social media: [facebook.com/kimbeallauthor](https://www.facebook.com/kimbeallauthor) or [@KimBeallsGhost](https://www.instagram.com/KimBeallsGhost)

The Amazon Kindle Edition of *Seven Turns* is available at: [amazon.com/dp/B07CXVZW6D](https://www.amazon.com/dp/B07CXVZW6D)

The Paperback Edition of *Seven Turns* is available at: [amazon.com/dp/1625267894](https://www.amazon.com/dp/1625267894)
